NEW GROUNDS

Plans are coming together – Lease has been signed and boundary fencing first.

We are looking for help to paint posts and get the fence up. SO PLEASE if you are willing to help with painting or construction of the fence PLEASE e-mail northernhills@hotmail.com or ring Helen on 0434 995 931.

There infrastructure of any kind at this stage, so one of our first focus is getting an area cleared and prepared for an arena and a possible driveway entrance. Is there any club connections for earth works etc?

We can see the future of these grounds where we will be able to have a lovely arena, yards, second show jumping area and a cross country course. This, however is going to take some time a little sweet and some hard work.

Wonderful and Delightful Feedback Received

We received a lovely e-mail from the penciller at the Monarto ODE regarding the contact of our riders, and the fact we stood above the rest with how polite they all were. We would like to firstly thank Terri for taking the time and effort to send the e-mail to us. We would like to also thanks all riders on there conduct. Holding the pride of NHPC high in the way we are- Supportive, Polite and Show Great Sportsmanship.

Be proud of yourself and support others- Even if things don't go your way. Remember when you are out and competing, training or supporting you are representing all of us. (BE and BEE and Fly Proud)
